BUDGET

HOUSE REPUBLICANS

REP. JASON SMITH, REPUBLICAN LEADER

When asked to defend a massive spending agenda, President Biden said:

“What would they have me cut? What would they have me leave out?”

We are glad you asked, Mr. President.

Artificial Reasons to Spend

Conway, Arkansas is throwing \$2.4 million from the American Rescue Plan toward installing [artificial turf on baseball fields at a local park](#). In its ordinance approving the funds, the city council said the plan was necessary [“for the protection of public peace, health, and safety.”](#)

Whoa. Talk about a lot riding on the game.

But this all seems fitting – a glaring example of just how artificial it was for Democrats to claim they were passing the American Rescue Plan because of COVID.

Stay tuned for more.
